

Recycling Excellence Award

Have you achieved record recycling rates or saved impressive volumes from waste across a range of recycling streams? Have you dramatically reduced contamination?

Then this is the award for you!

By working with Recorra, you're already going above and beyond with your recycling. Now, it's time to get recognised for all your hard work.

Submission

Tell us about your organisation and its approach to recycling in 2025.

Please include details about any or all of the following:

- The total volume of materials recycled (kg), recycling rate (%), number of active recycling streams, and any other relevant data
- Any targets you set and the barriers you faced in improving recycling performance
- How you increased recycling volumes, improved recycling rates, and reduced contamination (i.e., any initiatives, engagement activities, introducing signage, etc.)

Please also confirm you would be happy for us to conduct a drop-in waste audit to confirm contamination rates with your submission.
